

***Coming together on First Sunday in Advent (1. December 2024)  
in Parish Community Room St. Lawrence (St. Laurentius) Wismar***

We, the parish community of Saint Lawrence of Wismar, have become aware that for quite some time more and more people from near and far, now and then or even frequently, come and attend our parish's church services.

This, in particular, is true for our Sunday services.

We are very much delighted that you, who found your way to our parish to attend the Holy Mass with us, and are interested in Catholic life in Wismar and maybe in other places of our large parish territory.

We wish you a warm welcome.

The parish priest, the deacon and the parish community team are involved in all pastoral and other matters of our parish community. You are welcome to contact them to ask questions, or in respect of certain matters and concerns, unless you have already done this. We also welcome especially those people who have come from various countries of Europe and other parts of the world, who attend our church service and who want to practise their Catholic faith even here, far away from their homelands.

We would be pleased to meet with you. Maybe, you as well are interested to meet other people who have arrived at our parish or those who are temporarily working or studying in our region.

On first Sunday in Advent (1. December), at the beginning of the new church year, we would like to invite all those who have come to our parish in Wismar, in order to meet together and talk to each other in the parish community room, right next door to the church.

Immediately after the Holy Mass, on Sunday, 1st December.

Then, we can meet together while having a cup of tea or coffee, and talk to each other.

This will be in easy atmosphere, as much as your time will allow on that Sunday.

You will be welcome with us, wherever you come from and which language you speak.
